Risk Sciences Group SVP Joins Select Panel at RIMS Event

PLANTATION, Fla. (November 17, 2008) — Broadspire's Senior Vice President and Managing Director of its Risk Sciences Group (RSG), Ken Ancona, has agreed to participate in an "all star" risk management information system (RMIS) panel at an upcoming event hosted by the Risk and Insurance Management Society (RIMS) Chicago chapter. The November 20 event, *The 2009 RMIS Preview*, will bring together the panel to explain how companies can take full advantage of technology to better manage risks.

Ancona will join moderator David Tweedy and a number of senior executives from other companies. In addition to discussing current technology, the group will also offer insight into future RMIS features and capabilities. Attendees will have the opportunity to question the panel.

The event, which will be held at The Westin Chicago Northwest, is free to RIMS members; non/members can attend by paying a nominal fee on the day of the meeting. More details are available on [RIMS Chicago's Web site](#).

About Risk Sciences Group

RSG, a leading provider of tailored risk management information solutions, consolidates data from any source and delivers accurate and reliable data to risk management and insurance companies. RSG's proven reputation is responsive service and flexible reporting. RSG, a Crawford company, supports the advanced RMIS needs of the Broadspire client community.

About Broadspire

Broadspire, a leading third-party administrator for employers and insurance companies, offers a broad array of customized claim and medical management services designed to increase employee productivity and contain costs. Broadspire's services include workers' compensation, auto and general liability claims management; medical and field case management; integrated workers' compensation and disability management programs; and risk and safety consulting. Broadspire is based in Plantation, Fla., with 2,400 employees and a network of 58 offices throughout the United States. Broadspire is owned by Crawford & Company.

About Crawford

Based in Atlanta, Georgia, Crawford & Company (www.crawfordandcompany.com) is the world's largest independent provider of claims management and related solutions to the risk management and insurance industry as well as self-insured entities, with a global network of more than 700 locations in 63 countries. Major service lines include property and casualty claims management; warranty inspections; integrated claims and medical management for workers' compensation; legal settlement administration, including class action and bankruptcy claims administration; and risk management information services. The Company's shares are traded on the NYSE under the symbols CRDA and CRDB.
