

SCHIP REGULATIONS

MMSEA Section 111 (SCHIP) Broadspire Update

Broadspire Claim Adjusters Attend Mandatory Insurance Reporting (MIR) Training

Broadspire in preparation for MMSEA Section 111 (SCHIP) Mandatory Insurance Reporting (MIR), (testing begins January 1, 2010, live production files begin April 1, 2010), has developed a claim adjuster training program. The training will be delivered country-wide. Courses will focus on the key MIR required data elements and the importance of collecting information from claimants. The training will include:

- ✓ MMSEA Section 111 (SCHIP) requirements and understanding why CMS requires reporting
- ✓ Identifying Medicare Eligible Recipients (Medicare Beneficiaries)
- ✓ MIR key data elements and the CMS data definitions
- ✓ Broadspire MIR reporting process, procedures and coordination with the Broadspire SCHIP Compliance Team

Note for clients selecting Alternative Reporting Agents: Broadspire in conjunction with PMSI, have developed a consistent way of processing the data regardless of your selected reporting agent. From a claim handler perspective the data does not appear any differently to CMS whether you are using Broadspire/PMSI to report to CMS or another selected agent. Claim Handlers do not access any additional systems when a client selects an alternative agent. For these reasons, the above trainings contain all the elements required for successful reporting.

Please note if you have selected an entity other than PMSI to provide MSA's or conditional payment negotiation services you must ask your account executive to document this in your client instructions. Please be aware that if a claim is insured and the carrier has an approved vendor list your selected vendor must be on the carriers approved vendor list to be utilized.

Responsible Report Entity (RRE) Registration Continues

While the deadline for RRE registration, September 30, 2009 has passed, registration remains open and registration activities continue.

Important Reminders:

- ✓ Whether you have selected Broadspire and PMSI as your reporting agent, or selected an Alternative Reporting agent, Broadspire requires receipt of all RRE registration information to report your claims. **Broadspire must receive RRE registration information prior to testing that begins on January 1, 2010** and adequate time must be provided to prepare your claim files. Please forward your RRE ID/PIN letter, CMS Profile Report and a signed Broadspire acknowledgement to schip@choosebroadspire.com or fax to 770-777-6479.
- ✓ In addition to providing Broadspire with your RRE registration information, if you have chosen an alternative reporting agent OR you have designated an individual at your company as Account Manager and require Broadspire and PMSI to provide claim data to your selected reporting agent, please complete the PMSI online RRE setup at <http://rresetup.pmsionline.com> prior to January 1, 2010.
- ✓ To register log onto the COBSW (COB secure website) [MMESEA Section 111 Registration](#). Be sure to have all necessary information available when you access the website to register.
- ✓ Broadspire has created the Registration Reference Guide: "[Broadspire 5 Steps to a Successful Registration with the COBC](#)" to further help you with this process.
- ✓ If you have not yet received your RRE ID and PIN letter, contact your EDI (Electronic Data Interchange) representative and provide your RRE ID/company information to obtain your PIN. This is required to complete the Account Setup phase of registration. Be sure to forward your RRE ID and PIN letter to your designated Account Manager.
- ✓ If you choose to have Broadspire as your designated Account Manager, you can forward their RRE ID and PIN letter to Broadspire at schip@choosebroadspire.com. Please indicate you are requesting Broadspire to be your designated "Account Manager."

Broadspire's Agent Reporting Solution Acknowledgement/Addendum Requirement:

If you choose Broadspire and PMSI as your Reporting Agent: Signed acknowledgments should be scanned and returned to Broadspire via e-mail at schip@choosebroadspire.com. Please include the name of your company. Acknowledgements can also be submitted via fax to 770-777-6479. If you're an active client, an acknowledgement form can be found on page 11 of the [Broadspire Registration Packet](#). If you're an inactive client, please contact Broadspire at schip@choosebroadspire.com for the appropriate acknowledgement for signature.

If you choose an Alternative Reporting Agent, an Addendum must be signed and returned. Please contact your Broadspire Account Executive for the appropriate Addendum.

Important: If you choose an alternative reporting agent and require Broadspire and PMSI to provide claim data to your selected reporting agent, please complete the PMSI online RRE setup at <http://rresetup.pmsionline.com>.

Other important information:

CMS Alert Draft Language for Public Comment:

CMS released an RRE draft language [Alert](#). This Alert contains draft language to determine the responsible reporting entity for Section 111 MMSEA reporting. CMS has not yet released final RRE draft language however has indicated that this should be released in the upcoming weeks.
