

[INSERT NAME OF EMPLOYER]
Workers' Compensation Designated Medical Provider List

On behalf of your employer and in compliance with Section 8-43-404(5) and WCRP Rule 8, we are advising you that you may treat with one of the following physicians/facilities to ensure quality medical care is provided in a timely manner for your Workers Compensation injury. The first priority, after an injury, is to get immediate appropriate medical care. If your injury was after hours or on a weekend or required emergency response, you may have been transported to the nearest medical facility, but you need to follow-up with one of [EMPLOYER'S] designated Workers Compensation physicians as soon as possible. Also, please call [EMPLOYER'S] workers' compensation claim contact immediately to report the injury and address any questions regarding your benefits. [EMPLOYER'S] contact information follows:
